Hold Harmless & Legal Disclaimer

Mojotv LLC does not host, provide, archive, store, or distribute media of any kind. Mojotv LLC does sell Firestick and Android media boxes that allows the user to access the internet and third party programs.

Mojotv LLC respects the rights of others and prohibits the use of referenced material for any purpose other than that for which it is intended (where such use is lawful and free of civil liability or other constraint) and in such circumstances where possession of such material may have any adverse financial, prejudicial or any other effect on any other third party.

The customers signature below verifies that they understand that Mojotv LLC is held harmless and cannot guarantee third party add-ons as it has no control over the content the add-ons provides nor the quality of their media streams or whether they will continue to function for any specified time period. The customer also understands that streaming is a fairly new technology and constantly evolving and there is a learning curve and requires a little patience and searching to find what you want. Mojotv LLC Systems is only providing an operating system for the internet search of free and paid subscription programming being provided by various independent third parties. Any unit is being sold to the customer for private use only.
